DISPOSAL OF CLASSIFIED FILM

This regulation defines responsibility and establishes procedures for disposal of classified film.

1. Policy. It is a headquarters policy that all film used by this unit is to be considered classified. It is therefore required that all excess film from the Tracker, Delta, and Baker sections be destroyed in accordance with project security standards by Eastman Kodak.

2. Responsibilities. The Tracker, Delta, and Baker sections will turn into the Supply section on DD Form 1150-1 film to be shipped for destruction.

3. Procedures.

a. Upon notification of film to be destroyed, the Supply section will prepare a cable to headquarters. The cable provides details with a request to have the next project aircraft, with courier, forward the material to Eastman Kodak for destruction.

b. Appropriate documentation will be prepared for this shipment by the Supply Section. The Security office will insure the film to be disposed of will be aboard the project aircraft with a courier.
